

Spring Newsletter

Spring 2020

CEO Message: John E Banks

Dear Member;

We are living in unprecedented times as the world continues to focus on and respond to ongoing developments related to the Coronavirus (COVID-19). Like you, we continue to stay informed and are prioritizing actions that protect the health and safety of our members, employees, and our communities. While many things are uncertain today, you can have confidence that we are here, ready and able, to serve your financial needs.

I would like you to know that MVCU remains financially strong and stable and will be here for you. Rest assured that our consistent financial strength and capital position will help us navigate through this storm.

In these most difficult times, we want you to know that you can count on us to be here when you need us most. We've made it through tough times before and we will get through this one too.

If you are having difficulties due to COVID-19, please call one of our offices. We do have some contingency plans in place to help our members get through these turbulent times. We will win this in the end, we are all together.

Pre-Approved Loan Puts You In The Driver's Seat

Ready for spring into summer with new wheels? Get the most bang for your buck by making MVCU your first stop to get a Pre-Approved Vehicle Loan. That way you can shop like a cash buyer to get the vehicle you want to buy, not the one the dealer wants to sell you, sometimes the vehicle that's been on the lot the longest. Dealers also want you to focus on the monthly payment. While that's important information, it's just part of the picture. You'll want to know the asking price, the annual percentage interest rate on the loan, and the total amount you'll pay for the vehicle. Do your homework by checking websites such as kbb.com (Kelly Blue Book) and edmunds.com. Those sites make it easy to learn prices, understand available features, compare fuel economy, and help you narrow your choices. Armed with this data and your pre-approved loan from MVCU, you'll be in the driver's seat when you go shopping for your new ride.

Rates as low as 3.19%

Emails and Social Media

MVCU will begin to communicate with our members more often now through emails. If you receive an email from the Maumee Valley Credit Union it will come from MemberNews@maumeevalleycu.com. Be sure you keep your email up to date with us to receive informational updates. MVCU is looking to stay in contact with our members more often each and everyday.

We are currently new on Instagram and Facebook. Please check us out and hopefully you will like the information that is reported.

The First Step Make All The Difference

When buying a home, you can increase your bargaining power by getting Pre-Approved. There's a lot to consider when buying a home, but the most important step is getting Pre-Approved. It can save you valuable time by identifying how much you can afford so you can target your home search to your price level. It also lets a seller know you mean business. Ready to get started? Get your complimentary pre-approved letter with AmeriFirst Home Mortgage today.

For more information on getting pre-approved contact Liz Terwilliger (NMLS#137587) with AmeriFirst Home Mortgage at 419-931-9011 with questions.

For informational purposes only and are not intended as advertisement or commitment to lend. Not intended as credit counseling, accounting or investing advice. Contact your financial representative or tax preparer for more information. Not all borrowers will qualify, contact us for more information on fees and terms.

Remote Deposit Capture: Soon you'll be able to take photos of front and back of your check and send to MVCU for deposit. Keep watching for this service.

New Loan Products:

Home Improvement Loans:
Maximum \$10,000 up to 48 months - as low as 7% APR

Consolidation Loans:
Maximum \$10,000 up to 48 months - as low as 7% APR

Rates are as personal loans secured by your signature

Drop Your Anchor And Explore Our Boat Loans

Ahoy there! Calling all you landlubbers. It's time to start enjoying time on the water. Whether you prefer the solitude of slowly paddling your canoe down river, the excitement of white water kayaking, the challenge of sailing, the thrill of a power boat or personal water craft, or finally hauling in the "big one that got away," first drop your anchor at MVCU to explore our Boat Loans. You'll find the rates and terms to make your dream of time on the water come true.

If you're new to boating or just need a refresher, visit the US Coast Guard's Website at uscgboating.org, the official site of the Coast Guard's Boating Safety Division. You'll find information on boating laws, safety courses, recalls and much more. Then set your course for the credit union to apply for a Boat Loan.

Rates as low as 4.74%

Please remain safe and keep social distancing. Always wash hands and continue to be cognizant of what's going on around you.
